

Looking for that last minute 2009 charitable contribution?

Think **WOMEN IN LEADERSHIP!**

WIL Edith Kaplan Scholarship Fund – started with seed money by Ms. Ann Richardson and Dr. Ron Ruff, the scholarship was established to fund 3-4 students each year to attend activities sponsored by WIL at the NAN Annual Conference. Dr. Kaplan’s family has given their wholehearted endorsement of naming this scholarship fund in memory of Dr. Kaplan. Rachel Kaplan said that students were her grandmother’s passion and she and her father know that she would have been delighted to help support students attend WIL events.

WIL Educational Fund – started with seed money from Dr. Rosemarie Scolaro Moser with a challenge to others to match her contribution. The WIL Educational Fund will be used to defray the costs of obtaining prominent speakers for WIL Events and/or assist with their travel expenses. If you would like to contribute to the WIL Educational Fund, please complete the attached form and return it to the NAN Office.

WIL would like to express our gratitude to those who have already contributed to these two funds. The generosity and support of NAN members has been very heartwarming and we are very grateful. Such support will enable us to continue our mission of educating, encouraging, and mentoring female neuropsychologists to become leaders within NAN and in the field.
